

Readiness Test & System Check Attempt Due Dates

Spring 2026

The RM Readiness Test & System Check must be passed (score of 1/1) before taking online tests. You may retake it one time if needed. Scores are posted by the Results Received By date below — late submission could delay proctoring. You must email onlinetestsupport@csc.edu with your **full course ID** to have it proctored once the attempt 2 due date has passed for your course’s term. Please check with your instructor for any term-specific rules.
